Summary of Association Duties

	CDSSA	HRIS	SASSA	WAS	ISD	SWISSA	NASSA	HZSA	AICES
Number of Convenors	2	1	0	1	4	4	6	2	8
Number of Coaches/Managers/Selectors	3	6	1	6	7	1	9	9	
Total	5	7	1	7	11	5	15	9	8
Average Students in association per official supplied	663	939	1375	247	363	275	299	538	NA

The AICES average is 385 students in each association for each official required. This means that for equality amongst Associations a score in the 300's is required. Those with a score below 385 are supplying more than their fair share and those with score higher than 500 are not supplying enough officials. This does not include Swimming, XC or Athletics as these are allocated based on association population.

AICES Netball Tour

The second AICES Netball Tour attend the World Sport Games on the Gold Coast in July. An Opens and 14yrs team selected. The aim of this tour was to attract as many of the actual AICES team to compete at CIS as possible to bring them together before the CIS trials to facilitate their performance as a team at CIS and therefore increase the chances of selection.

- The Opens Team ended up with four of the actual AICES team in it and the 14yrs with none of the AICES Team.
- The cost of the tour was \$1950 for 8 nights at QI, flights, carnival costs, theme park entry and most meals
- Both teams played in competitions with over thirty teams from Australia and NZ
- The tour was very successful with the Open Girls finishing 5nd in the Premier Division and the 14yrs winning the Division 3 trophy (this was a 16yrs competition).
- The tour staff were:
- Sue Barnett - Pittwater House
- Greg Aitken - AICES

Shannen Karger – Nowra AC
Cate Aitken - AICES

As mentioned, the tour was introduced to try and bring together the girls from the AICES 15yrs and Opens to play together to allow them to gel as a team to improve their performance at CIS and therefore facilitate their selection at CIS. Again very few of the girls selected in the official AICES Teams participated in the tour. Please discuss this at your meeting. Should we be running a 'social tour' ? If so how do we staff it? (AICES Office had to step in and manage the teams)

AICES Intermediate Netball- Gold Coast Tour 2018

Friday July 6th, 2018 a group of 11 young and excited netball girls embarked on Sydney Airport ready for their first Gold Coast Netball Tour. The girls were accompanied by the AICES Open's Girls' team and their coach Sue Grigg. Upon arrival at the QI the girls made quick work of setting up their rooms, checking out the hotel facilities and the foreshore views that Surfers Paradise had to offer. Later in the evening the girls had the opportunity to meet and greet the other netball teams who had travelled both inter-state and internationally (New Zealand). It was not to be an early night as they would be up bright and early the following day for their first competition day. Saturday 7th was the first introduction to the Netball Tournament and all of the team, including myself was excited for what the day held. We knew that Saturdays and Wednesday's games would determine which pool we stayed in. The girls were also aware that they would be playing up an age division. Many in our team were only 13 or 14 years old and would be playing against girls aged 15 to 16. This did not deter the girls in anyway, only making them hungrier to prove they had what it took to step up to a higher age level. It was a big day with 5 games to play. The girls were defeated in 4 games, taking a win in their final game for the day. They improved dramatically throughout the day, having had only 2 training sessions as a team prior to competition. Monday 9th was a different feel to competition as the girls were to play night games after a day of beach activities and mingling with all of the sport groups that were on the tour, including rugby and soccer. Luckily the poor weather lifted and the worry of rain passed. The evening was made up of 4 games for the girls and was the last day of competition before pooling groups were reshuffled. Monday was also 'Pretty in Pink' night with all the girls and coaching staff getting into the spirit. The girls played against some incredibly tough teams and after a day in the sun were very tired and crying out for bed. Although we were unable to come away with a win for the Monday, we had some very close games and the girls played fantastic netball. Wednesday 11th was the beginning of competition for a place in the finals. We had been reshuffled into the Intermediate Shield pool and were on a very level playing field. The girls were determined

to make it to the finals and played out of their skin! We took wins in our first two games against Mercedes College and Nagle Catholic College. The game against Nagle was a nail biter being down at half time and coming back to take the win by 4 points in the second half. In the second half of the day we played against the Aftershocks and Narang RSL Admirals, taking two more wins. The girls played exceptionally on the Wednesday of competition, taking on board all the coaching tips they had been given and supporting each other 100 percent! They were floating on a cloud at the end of the day and so eager for the final day of competition.

Friday 13th was the day. Final day of competition had arrived, with both I and the girls knowing that we had a great chance of making the finals if we played good, strong netball. We were up against Nagle Catholic College in our semi-final so we knew it was going to be a tough game, but we were capable. At half time we found ourselves down by a small margin, yet again the girls dug deep and drove us home taking the win 17-14. Our final was a nail biter against St Mary's only a point separating the teams at half time. The girls remained calm and collected right till the end, playing some of their best netball I had seen all competition. The full-time buzzer sounded and we had taken the win, by 2 points! The girls were ecstatic and I was incredibly proud as a coach. Mia Cayless received the Barbarian Players award for our team. This was given to Mia for her consistent and outstanding performance on the court and great team spirit throughout the competition.

The entire trip was a great learning experience for the girls and some great friendships were formed. On our days off we visited Movie World, Sea World and Wet n Wild. The girls shopped up a storm at the outlets and stepped into the Australian outback for our Spirit and Sportsmanship dinner. Wherever Cate and I took them over the course of the trip they represented both themselves and AICES at the highest level.

For myself as a coach, this was my first year coaching any major team outside of school competition and I was very honoured to have the opportunity. I am so proud to have coached such a great group of young ladies who were willing to take on every piece of coaching advice that they were given. Big thank you must go to Greg and Cate Aitken who organised our tour and managed both the teams. A big thank you also to Sue Grigg who helped guide me through my first major competition.

Once again, a HUGE congratulations to the intermediate girls on their win! They played out of their skin and beyond their year (literally). Looking forward to the next netball tour in the coming years, wherever that may take us!

- Shannen Karger (AICES Intermediate Netball Coach for Gold Coast Tour 2018)

Rugby Opens Managers' Report

This year the rugby program was again tweaked, and some positive changes were made. The decision to move the camp from the Big4 caravan park to the Sport and Recreation Camp at Narrabeen and to shorten the camp to one night and two days was a very beneficial move, and to finish the camp with a game against Country u18's all proved to be positive on a number of fronts.

The pre-selection program, with attendance, for a mini training session being run by the NSWRU staff was innovative and beneficial, and at the selection meetings, we had the advantage of their expert input. This session was then followed by a series of games between the different associations. The selection meetings were comprehensive and choices made, many times with the expert advice of the NSWRU staff input.

The new format with mid-week games, saw us opposing CHSII and ISA III in a tri team format. In both games the team was competitive, with moments of superiority and then compelling mistakes which put the team under pressure. The scoreboard showed that we won one game and lost the second by a close margin. The importance of both games was that the team were able to show their skill sets and at the end of the day many were noted on the NSWSRU selector's sheets.

The second round of games was played at Daceyville and pitted AICES against ISA II. This game was played at a frenetic pace with the AICES team leading for long periods of time with a committed and physical style of play which upset their opponents, however the team faded in the last quarter of the match to eventually lose by 2 converted tries both of which were scored in the final 10 minutes.

In all 3 games the team played to their fullest potential, and ensured that their opponents needed to be at their best to score more points than the AICES team.

This year the standard of players took a pace forward. This was in evidence by the number of our players in the shadow squads and the selection of the AICES captain Jack Winchester to NSW and eventually Australian selection. We should congratulate his efforts as a leader and a player for our team.

Injuries again hurt the team with 2 first choice players being unable to play in the last match, due to injuries that occurred the day before the last match. Thanks to the shadow players from Reddam House who stepped in at extremely short notice and fitted in well.

The standard of player we are attracting is rising each year as the players see AICES representation as a path where they will be seen by the selectors playing quality opposition and coached by the highest level of coaches. The program is evolving into one that AICES schools need to be proud of as one where their students can represent at a higher level, commensurate with their skills. Thanks to Greg for his organisation and to James Barkell and his team for their coaching.

16yrs Manager's Report

The 2018 Rugby program took on a different look this year beginning at the Trial Day where staff members of NSW RU attended and ran a skills and drills session before matches were played. This was highly beneficial for selectors as they were able to observe players performing key skills with higher repetition than in a game setting. The skills were run in teams and it was recommended that next year the groups be divided into playing positions to allow selectors to see all of the players trialling for the position they are selecting.

The camp was held at Sydney Academy of Sport in Narrabeen and was shortened to just the Saturday and Sunday, 26th -27th May. The camp did not include a trial match for this age group and was focused on developing set piece and unity in the squad. Coaches were pleased with the camp and it is recommended that we continue this format next year.

Trial Matches – Warringah Rugby Park (6th June)

The trial matches hosted by ISA had been shifted from the Sunday of camp to a midweek time two weeks following camp. With the extended program it was feared that the squad may lose some of its continuity from Camp but this proved to not be the case. Sam Parkes injured his shoulder during club responsibilities and was the only member of the squad that was unable to play.

Trial I: AICES (5) def by ISA II (7)

After conceding a try from the kickoff, the AICES team showed the resilience to pull themselves together and stick to their game plan. Meeting the ISA team in terms of physicality in the first half, the AICES team demonstrated dominance in the second half with possession. This resulted in a try to winger Max Gander toward the end of the match. Although being unconverted and the scoreboard reflecting a loss this match provided the coaching staff with encouraging signs for the campaign ahead.

Trial 2: AICES (15) def CCC (14)

The second match the team picked up where they left off and quickly raced ahead on the scoreboard to with a try to Patrick Thornton in the 7th min. AICES continued to dominate possession and crossed the line once again in the 18th min with a try to Jack Neich taking the score to 15-0. Two late tries to CCC brought the score back to 15-14. AICES team held on for the last couple of minutes to take the win and finish the day buoyed by the performances.

NSW Schools Championships (30th June and 1st July)

With Sebasitan Di Noro unable to overcome his injury it was decided to bring in Angus Ellem from NAC. On the morning of the Championships Kiyan Shipp informed the coaches that he was injured and could not play.

Game 1: AICES (3) def by CHS (25)

AICES began the Championships confidently, matching the CHS physicality and restricting them to a Halftime score of 3-8. Throughout the second half the AICES defence wore down and CHS scored 3 tries to win game. AICES had demonstrated resilience and tenacity to match the CHS team for most of the game.

Game 2: AICES (20) drew ISA II (20)

AICES shot out to a lead in the second match with tries to Harry Snook (5th Min) and Max Gander (13th Min) along with a penalty goal to lead at halftime 15-5. After the break AICES maintained their composure, Harry Snook scoring his second try in the 29th Min to lead 20-10. The remaining 10 mins saw AICES protecting their line and being penalised numerous times. With a minute remaining and AICES still ahead 20-15, ISA peppered the AICES and crashed over to level the scores. The match finished 20-20 and due to ISA scoring more tries AICES were to play ISA I in the Presidents Shield Match the following day.

Game 3: AICES (28) def ISA I (17)

AICES captain Joshua Cox was ruled out of the final game due to a wrist injury sustained the previous day. Not overawed by the opposition, AICES continued their impressive campaign matching the ISA team in the first half with two tries to Angus Davidson and Max Gander and a slender lead of 14-12 at halftime. In the second half the AICES team dug deep and asserted dominance over the ISA team. Another try for the tournament to Harry Snook and one to Patrick Thornton gave AICES a 28-17 win. Following the win a presentation was held where a number of NSWRU Schools executives commented on the progress the AICES association had made this year and coaches Daniel Toole, Ian Liney and Tom Cooper were congratulated on the fine campaign that was run.

Selections

Following on from the success of the Opens squad having their first player selected for NSW Schools teams, Harry Snook and Brendan Pillman were selected for the U16 NSW Schools teams to compete at the NSW Invitational Championships. Other players from the AICES team were also selected to play in that tournament for the Country Team. These players were Nicholas Bignall, Mitchell Watts, Hunta Saunders, Patrick Thornton and Joshua Cox. From this tournament Joshua Cox then went on to be selected for the U16s NSW team to compete at the National Championships.

This was a very successful year for AICES rugby and it is recommended that the momentum that has been generated look to be sustained through the provision of a development tour for those between age groups (i.e. U17's). This is yet to be confirmed but currently under consideration is the idea to take the U16's team on a tour the following calendar year to encourage players to remain connected to the AICES association and continue team unity and spirit amongst the group.

With respect gained from other associations and AICES students feeling pride in their jersey it is hoped that preserving the momentum of this year's program is essential for further success at this level and continued selections of students of the association to higher levels.

AICES Rising Star Grants

The AICES Rising Star Program is designed to support young people participating at the CIS level or higher as an athlete or official. AICES will award **up to** ten (10) Rising Star grants each school year. Achievements from Term 4 201 until Term 3 2018 (inclusive) can be taken into consideration.

Criteria

In order to be eligible to apply for a AICES Rising Star Program grant students must meet the following criteria:

- Be an enrolled student at an AICES affiliated school in year 7 to 12
- Be participating in an AICES Sport as outlined on the AICES Website
- Be participating as an athlete, umpire or referee in the AICES Pathway:
 1. AICES Team playing at the All Schools Level or higher
 2. An individual athlete at an All Schools Event or higher
 3. Be a member of multiple CIS Teams

Amount

The base rate of each of the ten grants will be \$250

Students attending country schools will be eligible for an additional \$50.

Country schools are recognised as being members of the following AICES Sub Associations:

HRIS, WAS and SASSA. The Illawarra Grammar School is also included in this group.

Applications

All applications must be submitted on the official AICES form and must:

1. Be lodged by the students school
2. Be verified by the Sports Co-ordinator of the students school
3. Be endorsed by the students school Principal

Selection Committee

The Committee will consist of the eight AICES Sub Association Convenors and the Executive Officer. Each will rank their top ten students which will then be compiled by the Executive Officer. The students with the highest tally will be awarded the grants.

Payment

Successful applicants complete a claim form with their bank details. So it can be appropriately recognised at their school, a certificate will be posted to the students Sports Co-ordinators in mid-September.
