2022 AICES UI6s Rugby Report

2022 proved to be a most significant campaign for the UI6s squad in years. Overall results will show that the team won 2 of its 5 matches and the level of commitment to the team and positive feedback from both players and parents alike, indicate a high level of success.

AICES Trial Day

Beginning on the 10th May, the AICES Trials were held once again at TG Milner Field. This year, the selections were based on associations providing teams due to the feedback from last year's trials. In order to be able to field association teams 10-a-side games were introduced for the day. Although the preferred format is 15-a-side, it is recognised that this is not possible for all associations. Having the teams preorganised and extra staff on hand it was an improvement on the trials from the year before.

Camp

With the squad chosen, camp was held on 21st-22nd May at Sydney Academy of Sport in Narrabeen. This concentrated time together provided a vital chance for the team to bond and to cover all strategic and positional information. We recommend continuing this camp be included in all future programs and are happy to continue at this venue due to the location, good facilities and meal inclusions. In future, a Saturday Night excursion would be beneficial, eg a Rugby match to attend. This would provide further opportunity for the team to get to know each other and develop a sense of team.

I would like to thank and commend Matt Evrard and Andrew Cleverley(NSW Rugby) for coming to assist at the camp on the Sunday Morning where they assisted both back and forwards on specific skill sets and strategy. In extremely poor weather, they both continued to provide quality training and commitment to our smaller association. Their knowledge and expertise was a great asset and the players gained a great deal from this session.

It is recommended that we investigate the possibility of a trial game to be held at the end of camp.

Games

In terms of results, this year's squad performed well winning 2 of their 4 matches.

Daniel Toole (Nowra Anglican College) continued in his role as Head Coach of the U16's team, a role he has faithfully served in for the past six years. This year Sam Dick (Lindesfarne Anglican Grammar School) joined as Assistant Coach and provided a high level of insight and instruction for the boys.

The coaches prepared the players well and, most notably, drew the squad together. There was a high level of commitment to the team by the players which was seen in the latter part of the program where injuries would not even prevent boys from coming to the games and supporting their teammates on the bench. They all just wanted to be part of the team. This has been a significant increase from previous years and contributed to the overall success on the field.

The following players were selected into further representative squads to compete at the NSW Invitational Championships 9-10 July, 2022:

- Harper Strachan (NSW Schools 1)
- Ben Sawyer (NSW Schools 2)
- Lucas Bakker (NSW Country)
- Michael Vandoros (NSW Country)
- Charles Heidke (NSW Country)
- Thomas O'Connor (NSW Country)

Harper Strachan and Charles Heidke were then selected into the Gen Blue program from these invitational championships.

A final commendation to Greame Wallace for his outstanding service in providing medical advice and intervention when required throughout the entirety of the program this year. He provides a first-class level of care and builds a great rapport with staff, players and parents. He is always there on time, set up ready to go and allows everyone involved to feel relaxed in the confidence of his expertise. We highly recommend seeking his services for all future programs.

Overall, 2022 was a momentous year with a significant victory over the CHS team. This provided another step in building the profile and reputation of AICES Rugby amongst the other associations which has been the pattern over the recent years. At present the management and coaching staff are happy with the current format of the short program that is in operation as it meets the geographical demands of the players in our association, providing a concentrated preparation time that puts our players in contention for selection at higher levels.

Mr Tim Dawson
U16s Manager

AICES Rugby Report

If we are looking at scores alone, the U18 side had a tough series of matches, however if you took the view that these were selection trials with the scores being of secondary importance, then AICES has progressed from last year. We had players selected in the NSW GEN Blue squad and the Barbarians for the NSW championships. We also had shadow players identified for both teams. AICES is now becoming noticed by the selectors as a source of players, playing at the required standard for the whole 80 minutes, a criticism previously pointed at our teams previously.

The Trial Day

The new format for the trial day for the Opens was successful. It enthused the boys and the coaching staff, the live drills that were used by the NSW coaching staff were very testing but extremely beneficial. This format allowed the selectors a better oversight of the group and their skill set.

The Narrabeen Camp

Apart from the weather, the camp was successful in bonding the group into a team and allowed the group to become familiar with the attack and defense patterns of the AICES team.

The camp raised a problem which would become endemic throughout our matches – injuries and the following unavailability of players. Strategies need to be put in place to manage this.

Match 1

The coaching staff and the team had high expectations for the first match, however in the 2 days previous to the match we lost 4 of the starting 15 to injury. The ultimate toll meant we had to play with a bench of only 2 players, and while the match was 12 all at half time the end score was 33 – 12, we ran out of steam in the last 15 minutes, with our players playing 7 fresh reserves. The team played in patches to expectations and the backline promised much, but we could not consistently hold onto the ball to exert pressure. Against a team who had already played together combinations were settled with CCC while we were still working ours out.

Match 2/3

The second series of matches was a 3 way set of games with each team playing half a match against the other 2 teams. Our first game was started with enthusiasm but again injuries disrupted our campaign. We lost our hooker in the warm up, our captain was already out, then in the first 6 minutes lost our number 8, one of our go forward players

and a few minutes later one of our wingers to a significant facial injury. These injuries caused significant reshuffles and the ensuing disruption of our game plan.

This game was a tale of missed chances, passes pushed, last passes dropped with the line open, and at times not being physical enough at the breakdown with the ISA pilferers. While not a blowout it was a disappointing loss.

The second match was against CHS II and started badly with CHS scoring off a dropped ball near our line. The final score was CHS 5 tries and 3 conversions to AICES 1 try and 1 conversion. AICES had equity in field position and possession for long periods of time, however losing 2 of our original front row forced the inevitable reshuffle, with the replacements doing their role to the best of their ability. In this match CHS were definitely the superior side, however AICES never stopped playing committed hard rugby, and showed a definite improvement from the first match. The combinations of the CHS were what beat us.

Match 3 VS Combined Country

This match was always going to be our biggest test, and again before the match we lost players to injury, we gained some back though, for this match, we also bought in a shadow player, who performed admirably on the day with little preparation. The Country side were well drilled, due to their extensive program, however the match for long periods of time was an even contest. Even with a yellow card we held our own, but again mistakes were punished. The physicality at the breakdown was a vast improvement on previous matches. The final score of 34 – 10 was not a true reflection of the match, with AICES spending long periods of time in the opposition half, but 2 long range tries really hurt us in the second half.

Reflections

- 1) Injuries had a significant impact on our program, more so than any previous year, we need to ensure that shadow players can be contacted quickly and bought into the squad.
- 2) Players need to have a system to notify of injuries and communicate to the coaching and management rather than form the school.
- 3) The camp and trial with the input from NSW Rugby Staff is continuing to be very valuable.
- 4) The present coaching staff under trying circumstances showed their expertise with the boys prepared for each match and their skill sets significantly improved from the association with AICES.
- 5) Boys from our team were selected or in shadow squads for the next level, this was a significant improvement from previous years.

AICES LIFE MEMBERSHIP

Mrs Jenny Lee was presented with a Life Membership Award from the Association of Independent Co-Educational Schools in recognition of her outstanding service to AICES Sport and AICES Netball. As Head of Sport, Mrs Lee has been involved in various networks and committees to ensure all school students have the opportunity to access sporting and training pathways. For over 20 years, she has been heavily involved in structuring and convening AICES. Mrs Lee has been an integral part of the development of AICES Netball as a manager, coach and the AICES Netball Convenor. She has been foundational to the growth of AICES amongst all CIS competitions. Congratulations Mrs Lee
