2023 AICES U16s Rugby Report

2023 proved to be a most significant campaign for the U16s squad in years. Overall results will show that the team won 3 of its 7 matches and the level of commitment to the team and positive feedback from both players and parents alike, indicate a high level of success.

AICES Trial Day

AICES Trial Day was held once again at TG Milner on 4th May. A large increase in numbers from the previous year with most associations able to field 15-a-side teams. The day began with NSW RUGBY staff running a warmup and skills session, this assisted the association managers and AICES Selectors to be able to have the day organised and to cast eyes over the entire squad before matches began. Games ran smoothly throughout the day and the format was conducive to providing both the players to showcase their skills and selectors ample opportunity to finalise selections.

Camp

Camp was held on 20th - 21st May at Sydney Academy of Sport in Narrabeen. This concentrated time together provided a vital chance for the team to bond and to cover all strategic and positional information. We recommend continuing this camp be included in all future programs and are happy to continue at this venue due to the location, good facilities and meal inclusions. In future, a Saturday Night excursion would be beneficial, eg a Rugby match to attend. This would provide further opportunity for the team to get to know each other and develop a sense of team.

I would like to thank and commend Andrew Cleverley (NSW Rugby) for coming to assist at the camp on the Sunday Morning once again. He assisted both back and forwards on specific skill sets and strategy. His knowledge and expertise was a great asset and the players gained a great deal from this session. His level of commitment to the NSW junior programs is exceptional and he is always willing to help out in any way. He is an asset to NSW Rugby and most appreciated amongst the different associations.

Games

In terms of results, this year's squad performed well winning 3 of their 7 matches.

Daniel Toole (Nowra Anglican College) continued in his role as Head Coach of the UI6's team, a role he has faithfully served in for the past seven years. Sam Dick (Lindesfarne Anglican Grammar School) returned as Assistant Coach and provided a high level of insight and instruction for the boys. The coaches provided a good program that primarily brought the team together and provided a positive environment where all players felt included and the confidence to play freely. This positive atmosphere was evident throughout the program, most notably in the latter stages where injured players still attended the NSW Championships to assist in running water and passing balls during the warm up. There was a strong commitment to the team and this generated the level of success achieved and the team played for each other.

The following players were selected into further representative squads to compete at the NSW Invitational Championships 7-9 July, 2023:

- Solomon Tuisau (NSW Schools 1)
- Wesley-Jones Nifo (NSW Schools 2)
- Oliver Lewer (NSW Schools 2)
- Cynseah Tautalafua (Sydney Juniors)
- Tyler Dolenc (NSW Country)

Once again, commendation is given to Graeme Wallace for his outstanding service in providing medical advice and intervention when required during the latter part of the program. Graeme was unavailable for AICES camp and first trial matches and his absence was felt. Another company was sourced and this resulted in trainers not turning up two of the three days booked. Graeme provides a first-class level of care and builds a great rapport with staff, players and parents. He is always there on time, set up ready to go and allows everyone involved to feel relaxed in the confidence of his expertise. We highly recommend seeking his services for all future programs.

Overall, 2023 was a successful year with a repeated victory over the CHS team and another four finish at the NSW Schools Championship. This performance confirmed that AICES squads are now competitive and causing selectors to genuinely consider players in the squad for selection in the NSW Schools teams. This year the length of the program was raised in light of the numerous players required to take long trips, some by air, to the four different dates. This is both expensive and time consuming and recommendations to condense the selection dates have been taken to NSW Schools through Rick Walker our AICES representative.

Mr Tim Dawson
UI6's Manager

AICES First XV Rugby Report

The Journey Continues

The AICES U18 rugby program will be viewed as a successful program based upon the results of previous years, further building on the foundation of previous years. We expanded the pool of available players and the number of schools involved in the program. The inclusion of the boys from Lindisfarne helped improve the program with their commitment to the program as well as their rugby skills.

The selection trials went smoothly, and the final team selected, we had no withdrawals or changes from the original selected team.

The weekend camp at Narrabeen was extremely beneficial, with a well organised program from 2 coaches who worked well together and had a clear mission as to the way the team needed to play rugby, in defence and attack. After this weekend the team were beginning to develop a belief in their own ability, and resilience.

The games the teams went on to face were Combined Catholic Colleges at Randwick ISA and CHS were all competitive games for our team.

The first game against Combined Catholic College found the AICES team as a group who were beginning to work together, there were flashes of what was possible but too often a lack of game time together and simple mistakes led to points for the CCC team. A loss by a converted try and a penalty goal.

The second and third matches were played at Oxford Falls against ISA III and CHS II. The AICES were the better team for 75% of the match against the ISA team but 2 quick tries in the final 5 minutes ended the game with a 14 all draw. The second match against CHSII was a much tougher task, AICES had already played 35 Minutes of Rugby and CHS were fresh. While playing to their abilities and remaining committed AICES were beaten by a better team, who took their chances while AICES had trouble capitalising on any opportunities.

The final match against Country came with some confidence for the AICES team, they had played to their abilities, defended strongly in previous matches and played strong rugby, being tested by CHS and ISA. Against Country they stepped up a level, with Country being on the receiving end of strong defence and a team willing to run the football from every opportunity. The match ended in a clear win to the AICES team.

The 2023 team showed the progression in Rugby that has been coming for a number of years, the weekend camp is well tested and effective, the input from NSW staff appreciated and we now have coaches who have qualifications of the highest level and are striving to ensure the team play at the next level.

Are we ready to take the next step and as been suggested set up a short tour as an AICES team prior to the championships and weekend camp, using the U16 team as the basis of a touring group. Other Associations have gone down this path with success and the management believes this needs to be considered. The benefit is clear has the support of the staff and management of 2023.

The 2023 team would have not been the success it was without the support of the Parents and schools as well Greg Aitken whose organisation behind the scenes made all this possible.

With the changes to the 2024 program and dates of playing the Championship Trials some of these ideas for progression of AICES rugby can be considered.
